MARCUS ROBINSON FILMS

WHO IS MARCUS?

Marcus Robinson is a documentary filmmaker and Director of Photography, with 8 years of experience, with a passion for crafting captivating stories that showcase the essence of your company. Based in Houston Texas, our team specializes in creating impactful video content for organizations in Houston, Austin, and San Antonio. We don't limit ourselves geographically - We are comfortable traveling domestically and internationally to capture your unique narrative.

Marcus also thrives working independently as a solo director and camera operator, ensuring an efficient production. His expertise extends beyond the lens with a strong understanding of audio, lighting, and directing. But it's not just about skills - he brings a positive and enthusiastic spirit to every project, making the filmmaking process collaborative and enjoyable. Let's connect and discuss how we can craft a documentary that ignites a connection with your audience.
